Creating Wizkidz (Pty) Ltd is an online tutoring school providing quality education to students worldwide. Founded in 2023 by Victor Pheiffer and Colleen Hartsliet, Creating Wizkidz has quickly become a leader in online tutoring and education. Our team of experienced tutors and educators provides quality teaching and support to students in Maths, Sciences, English, Afrikaans, History, Accounting, Biology, Computer Science, and Physics. We offer tutoring for IGCSE, AS, and CAPS syllabi, as well as other examinations.

Our team is led by Victor Pheiffer, a highly qualified and experienced educator with a bachelor's degree in Education and several other qualifications. Victor has extensive teaching experience in a variety of schools and learning environments. He has taught in government schools in East London, where he taught grades 8 to 12, as well as at Sans Souci Girls High School, Hout Bay International School, and Cambridge International Syllabus, where he taught grade 9 to 12 Maths and Maths Lit. He also taught IGCSE (grades 10 and 11) to students aged 15 and 16, and AS (grade 12) to students aged 17.

At Creating Wizkidz, we understand the importance of education in today's world. We strive to provide the best learning experience for our students and use the latest technologies to help them excel in their studies. Our team of tutors and educators are all highly qualified and experienced, and our lessons are conducted via Google Meet with all resources and work on Google Classroom.

We provide quality education at an affordable price. Our fees are R800 registration fee, and R1000 per month and for the entire year, and if students need extra lessons an additional tutoring fee will apply. We provide all the resources and info, and there are no costs for textbooks.

Kind Regards

Victor and Colleen
